Dear Parents and Guardians,

I write as Chair of Governors at St James on behalf of the governors to thank you for your patience and understanding during this strange and difficult time of national crisis.

I'm sure you'll all join me in acknowledging the hard work and commitment of Mrs Cook, Mrs Smith and all the staff at St James, both to the children of key workers who continue to attend school, and to the children who are accessing their learning from home.

There are so many heroes in many walks of life at this time and I'm sure you'll agree that the staff at St James are amongst them.

We're all looking forward to a time when your children can safely come back into school and be with their teachers, TAs and friends again.

In the meantime, stay safe and look after yourselves and your families.

Warm regards

Lindsey Wright
