Family Learning at St James C of E Academy School

Your Story in a Box

A family learning
session for parents
and children together

Wednesday 11th December
8.45-10.00am

Something special — come and tell your story in a creative way.

If you have a special picture or object that you would like to bring, we can photograph and print it on the day to put in your story box.

This is a fun, creative workshop. By end of the session you and your child will have made a story box about your object, your family, your area - about you!

If you would like to attend, please return the reply slip to the school office by Tuesday 10th December.
